## NM Wing Conference 2023

Cadets enjoyed seeing friends again, and they also learned at least one valuable thing to take back to their Squadrons. I'm very happy that Spirit Squadron was well represented in Santa Fe, and I thank everyone who attended, making it a fun weekend. Keep that knowledge that was taught to you and I hope to see you all back at NM Wing Conference 2024!

- 2Lt Caleb Brock

## Cadet of the Month

### C/MSgt Quinn Sorbello

This month's honor Cadet is C/Sorbello. He embodied the Cadet Oath by wearing the uniform properly, promoting actively, and staying on top of his leadership skills. He has shown continued service to the squadron as Bravo Flight Sergeant.

## Eclipse Viewing

On the 14th of October 2023, Albuquerque Heights Composite Squadron joined along with over 1,700 CAP volunteers, to collect data during a solar eclipse. Cadets and others collected a variety of data about the effects of the eclipse. Two Groups of 5-6 cadets took turns collecting temperature, wind speeds, cloud conditions, and radio frequency distortions. Thank you to everyone who helped make this possible.
