## Spirit Squadron Open House

## Cadet of the Month

**C/Harrison Ross**

Cadet Ross worked hard this month by exemplifying the CAP core values through each of the meeting's activities. Please take time to congratulate C/ Ross at next weeks meeting.

The open house was exciting for the visitors, parents, and cadets. By the end of the event, many visitors expressed interest in joining. This is directly due to the cadets' hard work on their boards, presentations, and the drill demonstration. Together, the cadets helped to form a comprehensive view of the entire cadet program. Special thanks to C/CMSgt Lemelin for leading drill.

## LOEFI

Last month, NM Wing cadets had the opportunity to participate in the Land Of Enchantment Fly-In (LOEFI). Cadets served as flight line marshallers and recruiters at the event. Thank you to everyone who volunteered their time. We couldn't have done it without you.
